

CLOTHING POLICY

Children need protective, comfortable and appropriate clothing and footwear to explore their environment and participate freely in experiences. Clothing needs to protect children from injury and sun exposure whilst promoting self-help abilities. Appropriate footwear will fit a child's foot correctly and ensure comfort. Educators will also dress to prevent injury and sun exposure and will be encouraged to dress in a professional and respectful manner, being positive role models for children.

NATIONAL QUALITY STANDARD (NQS)

QUALITY AREA 2: CHILDREN'S HEALTH AND SAFETY		
2.2	Safety	Each child is protected.
2.2.1	Supervision	At all times, reasonable precautions and adequate supervision ensure children are protected from harm and hazard.

QUALITY AREA 5: RELATIONSHIPS WITH CHILDREN		
5.1	Relationships between educators and children	Respectful and equitable relationships are maintained with each child.
5.1.1	Positive educator to child interactions	Responsive and meaningful interactions build trusting relationships which engage and support each child to feel secure, confident and included.
5.1.2	Dignity and rights of the child	The dignity and rights of every child are maintained.

PURPOSE

We aim to ensure the safety and comfort of all children by providing appropriate clothing guidelines for children, parents and staff utilising and working at the OSHC Service.

Children being clothed appropriately enables them to play without risk of sunburn and serious injury caused by inappropriate footwear or clothing. Children are more at ease, comfortable, and less anxious

when they are dressed for warmth during winter or not over-dressed during summer or wearing safe footwear when climbing outdoor play equipment or participating in physical activity.

SCOPE

This policy applies to children, families, staff, management, and visitors of the OSHC Service.

IMPLEMENTATION

Effective clothing strategies, including appropriate clothing for sun protection are important factors in ensuring a child feels safe and secure at our OSHC Service. Whilst children will generally attend the Service in their school uniform, this policy is in place to support families' understanding of appropriate clothing for 'mufti' days, or during vacation care.

Management/Nominated Supervisor will:

- ensure that a *Sun Safety Policy* is developed and reviewed regularly
- ensure that educators are provided with Personal Protective Equipment (e.g. gloves, goggles etc.) as required to facilitate cleaning and protect their health and safety
- provide information for educators about suitable clothing and footwear expectations for the education and care work environment during induction
- provide information for families about suitable clothing and footwear for their child to wear at the service. This information will also be available shared with families using a variety of communication strategies including newsletters, brochures, websites, and posters.
- ensure educators are aware and abide by the *Sun Safety Policy*.
- ensure a culturally inclusive environment by conveying respect and understanding of families' cultural traditions regarding clothing
- provide information to educators and staff about children's cultural dress requirements.

Educators will:

- consult and communicate with families about the individual needs of children with respect to different values and beliefs associated with clothing and footwear
- consult with families about the clothing needs of children with sensory and tactile sensitivities, (free of seams, tags, buttons or textures)

- monitor children's clothing and footwear to ensure compliance with the *Sun Protection Policy* and to support the safety, comfort, and wellbeing of every child
- consider clothing and footwear needs associated with excursions or planned learning experiences and communicate clearly with families about the need for extraordinary protective clothing requirements
- provide protective clothing, such as aprons, for messy play experiences and painting. Children will be encouraged by educators to wear protective clothing during messy and water play.
- encourage children to use their self-help skills where appropriate to put on and remove clothing and shoes to meet their needs. Educators will observe and monitor younger children to ensure their clothing and footwear is appropriate for the environment and weather conditions
- monitor the UV rating to ensure children are dressed appropriately for the weather and are adequately protected (e.g. long sleeve shirts)
- discuss clothing with children: for example, the need to wear hats for sun protection
- model appropriate clothing: for example, wearing hats and sun safe clothing
- convey respect for children and appreciate their individuality, whilst developing their understanding of safe clothing and footwear for play and the weather
- encourage children to make choices in relation to getting dressed and the clothing they wear
- respect children's privacy and modesty when having children change their clothes or dressing themselves, ensuring that individual and/ or cultural needs and preferences are understood and catered for.
- show respect for children and appreciate their individuality by allowing them to make some decisions about the clothes they wear

Families will:

- communicate with educators about their child's individual clothing needs- (eg: cultural diversity, disability, clothing sensitivity – labels or fabrics, fine motor skills)
- provide spare clothing in children's bags to allow for a change of clothes if required and/or changing weather conditions.
- dress children appropriately for play and the weather, including footwear and an appropriate hat
- ensure their child is clothed in an appropriate manner which will allow them to explore and play freely and not restrict them using equipment while at play

- ensure clothing for younger children also allows easy access for toileting: i.e. elasticised trousers or track pants rather than buttons, zips, belts, etc.
- not dress their children in good/expensive clothing where there is a chance, they will get dirty or stained.
- ensure children are appropriately protected from the sun - please refer to *Sun Safety Policy* for further directives on hats and clothing.
- ensure children's clothing accommodates the weather conditions. For example, be loose and cool in summer to prevent overheating and warm enough for cold weather, including outdoor play. At all times educators will monitor children to ensure they are appropriately dressed for all weather, play experiences, rest and sleep routines.
- ensure children have appropriate footwear that enables them to play comfortably and not cause safety concerns. For example, thongs, clogs or backless shoes have a trip factor and do not allow children to use equipment safely.
- ensure all clothing and belongings are clearly labelled with the child's name (not just initials)
- be familiar with their child's clothing fabric to minimise allergies and reactions.

Special clothes/dress up

To facilitate pretend play and celebrate different cultural experiences, children may be invited to dress up according to a theme or particular cultural celebration.

Our educators will communicate with families to ensure all children have the opportunity to engage in these activities by wearing appropriate clothing.

When dressing their child in 'dress up' clothes, parents are asked to ensure their child's footwear is appropriate for play-based learning at the Service and ensure clothing is sun safe.
